Using the Sidekick Bars with Passengers

Passenger(s) must be over 10 years old with a height of at least 130 cm (51 in).

⚠️ It may be illegal to carry passengers on a bike in your area even if it has been designed or configured to do so. Check your local regulations before carrying passengers.

Please follow and check the GSD Manual for the latest information about maximum load limit.

Seat Pad
We strongly suggest that the Sidekick Bars be used in conjunction with the Sidekick™ Seat Pad.

Footrests
Sidekick Bars must be used with footrests such as the Sidekick™ Foot Pegs or Sidekick™ Lower Deck. Passenger must be tall enough so that their feet can lay flat on the footrest. If a child’s feet cannot comfortably reach the footrest, please use a child seat instead.

Handholds
Whenever the GSD is in motion, the passenger must hold on to the Sidekick Bars.

Helmet
Passengers must wear an approved helmet.

Attire
Avoid wearing loose-fitting clothing such as skirts, pants, and shoelaces which can get caught in the spinning wheel. Take care that all straps are tied down.

Protection from Tire
Sidekick Bars must be used with a set of flat folding Cargo Hold™ Panniers or pannier bags to act as a safeguard from the tire and spokes.
